Outreach Programs

There are 3 Outreach programs that we are focusing on this year we encourage everyone to take part of!

Domestic Violence Prevention

Focuses on recognizing the signs of domestic violence the state officers have prepared an lesson for the adviser to share with your class. Our goal for this outreach it to bring awareness to the signs of domestic violence.

Backpack Program

The backpack programs purpose is to help kids who can't afford to eat during the weekend. We will be selling wristbands for \$2. All money received will go to the backpack program to help as many children as we can. Another need is to help pack backpacks in local areas. Our goal is to raise \$1000 and to put forth 200 hours of community Service.

Foster Care Boxes

For this outreach program we have partnered with Boise Angels which works all across Idaho. During State Leadership Conference we will have a service carnival full of playing games but also helping families in our community who are in need. Our goal is to raise enough to be able to supply the Boise angels with enough materials to help 15-20 children.
